OBJECTIVE

I am an undergraduate student currently in 6th semester with Informatics Engineering major focusing in Mobile Development at State Islamic University Syarif Hidayatullah Jakarta, seeking the opportunity to implement my knowledge and skills to make a contribution in your organization. I have excellent communication skills, leadership skills, and responsibility which have helped me to become a Lead of Google Developer Student Clubs at my university. And all of that can happen because I have high self-confidence and love to improve myself and learn other new experiences. In addition, I can establish and maintain effective working relationships with employees, team leads, supervisors, other departments, offices, agencies and organizations, either working as a team or as individual.
